Report of Principal and School Improvement Council

The staff at Sims Middle School continually strives to provide our students with a high- quality education. Our students are provided diverse and rigorous educational experiences with high expectations and academic excellence as our primary goals.

The 2013-2014 school year allowed for many challenging and stimulating opportunities to move toward successful obtainment of our school's goal. Our students, faculty, and staff experienced a great deal of success in academics, the arts, and athletics while effectively participating in many service-learning activities. The accomplishments of SMS included 8 students being recognized as SC Junior Scholars, 3 students being named Duke TIP Scholars, and 108 students being inducted in the National Jr. Beta Club. Our National Jr. Beta Club was selected as a "Club of Distinction." The academic efforts at SMS continued with our 6th grade Academic Challenge Team winning the district championship. Eighth graders were given a new opportunity to excel as we provided a challenging, above grade level course in World Geography for high school credit. Our athletic activities at Sims Middle School also experienced success with the wrestling teams finishing as the runner-up in the Peachtree Conference Championship. Our girls' softball team also had another outstanding season. Our band, chorus, and orchestra received Excellent ratings at the South Carolina Concert Festival. SMS students participated in service learning projects including The Miracle League, Salvation Army, Relay for Life, and others.

Teachers at Sims continued the expansion of their professional learning community by making consistent improvement in the instructions provided to the students. Common planning time was used for teachers to collaborate and align instruction to state supported documents. The administrators and teachers at SMS are continuously seeking new instructional strategies that will enable them to move all students to their greatest academic potential. A notable increase in students' reading was seen during the daily SSR time of SMS Reads and with the Super Reader program. Another area for high academic achievement was seen with the realization of advanced level instruction in ELA, Math, and Science. .

Jennifer Tazerouti, Media Specialist, we elected as the President of the South Carolina Association of School Librarians. Two teachers received Donors Choose grants totaling \$800. Our school also received a \$1000 AT&T grant and a \$170,000 School Improvement Grant.

Sims Middle School is fortunate to have a new facility, and a caring community which provides support and assistance to our students and staff. We had a successful year and will continue to provide as many opportunities for success as possible. Our school is dedicated to helping students achieve both in and out of the classroom.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	65.6
Overall Grade Conversion	D

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Sims Middle School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
